You know you're past it when you run out of puff in the office 5-a-side game after just 7 minutes. And when your team concedes 8 unanswered goals in 15 minutes. And when the Art Editor of *Escort* magazine slots a goal past you and celebrates with glee. Maybe it's time to retire to indoor pursuits. In fact, let's give up sports and get back to spurts – accompanied by the finest girls in the world. No fewer than 4 debutants this month – who needs football? ♣

Dear Club,
Everyone has a story about shagging their secretary or their boss, but I just had to write in to let you know of my current situation: I must be the only person I know who has a sexy cleaner! It's not like she's amazing, but compared to most of the old dears who keep the company clean, she certainly stands out. She's about 36, with a trim figure and a great smile, and we always have a bit of banter about 'who is seeing who' on the top floor. She often jokes about it being her turn for an office romance, and how she could do with a change from her husband.

However, the other night she took things one step further! "Don't you want a bit of action?" she blurted out. "I've never seen you sneaking out with one of the girls," she continued. Taken aback, but enjoying the conversation, I confidently replied. "Why would I need to sneak out, when I have my own office?" "So you reckon you'd be happy to fuck a girl in here, would you?" she questioned brazenly. "I'm not sure I believe you."

My instincts took over, as I moved towards her, taking her by the wrist, causing her to drop the cloth onto the desk. She suddenly looked a little shocked at how forthcoming I was, and feeling in control I said, "I can't fuck with a limp cock though. I think you need to get me nice and hard first." She pulled her tabard over her head and unbuttoned her blouse, revealing her ample tits saucily to me. She then dropped to her knees, as she put her arms behind her, allowing her blouse to slip off onto the floor. My cock was straining with anticipation inside my trousers, and it literally sprung towards her face, once she had unzipped me and pulled down my boxers.

Her tongue went straight for the base of my dick and, with her mouth wide open, licked in one long stroke to the tip of my dick. Her head then thrust forward suddenly over my swollen end and began to deep throat me. Holding her hair back, she looked up at me as she slowly took my cock from her mouth, before closing her eyes and sliding her full lips back down the shaft. The sensation was incredible, and before I knew what was happening, I could feel my dick pulsing and a torrent of cum shot into her mouth. Clamping her lips securely over my dick, she grabbed my bum, forcing me towards her and took the whole lot down her throat! She kept her mouth around my end, making sure that none was wasted, before licking the tip clean with her probing tongue.

"I hope that's not all you have," she finally said, and hitched her long skirt around her waist, and sat on the edge of my desk. I felt totally spent, but she began to touch herself. Slowly at first, before beginning to rub her

MORGAN ORGANS!

Dear Club,
Malena Morgan on the cover? Wow. I actually saw *Mayfair* on the shelf first, also with Malena Morgan on the cover (do you guys not talk to each other? Or do you just love Malena as much as me?), and nearly bought it and left the shop, before I clocked her on *Club* as well. In the end, I bought both. You've heard of a crescent wank, yeah? Well, that's two magazines and two sets of Malena Morgan pictures ruined, I can tell you!
Phil, Cambridge

Yep, a double dose of double M on the top shelf this month – the office is full of recriminations about who got there first. Of course, now you've ruined the mags, we're sure you'll be buying extra copies so you can enjoy Sasha, Kayden, Krystal and all the others who are equally deserving of your attention!

TOP SHELF IS TOPS!

Dear Club,
It struck me, reading the 'Top 5 FHM babes' bit in Popshot Culture (Club 41/9), that *Club* has 5 fitter girls in every single issue. Okay, that Rosie Jones and is nice and wouldn't look out of place in your pages, but other than Cheryl Cole, I don't think the others are quality at all. Maybe Tulisa could be a Reader's Girlfriend at a push! But every girl in the latest *Club* outclasses them – especially my current favourite Anneli.
Stuart, Aberdeen

Nice one Stuart. Yep, we're surprised at how few of our girls trouble the scorers in those FHM lists – perhaps they don't like girls who are actually sexual. As for Anneli – look out for more of her in Club soon, we're quite fond of her as well…

clit in a steady and forceful rhythm through her panties. As she pulled them off, I could feel my prick stiffen at the sight of her legs beginning to part wider.

Opening her pussy lips, and staring at me intently, my dick needed no second invitation. Pushing her back onto the desk, I entered her, wrapping my forearms around her thighs and fucking her as hard as I could. I was so deep, and so turned on, that I bucked her to orgasm in minutes, before spraying my second wad over her trembling tummy. Reaching down, she took some cum and rubbed it over her erect nipple, and watched as I stared wide-eyed in amazement. This was the best experience I had ever had, but the best thing about it all was that I knew my office needed to be cleaned again the next day!

TESSA ♣

We'd like Tess' daily...

Despite the fact that Tessa Taylor here is showing us her bits, we thought she looked the sweet and innocent type. And then she told us to check out some of the films she's in, and our jaws dropped (as did our jeans, in due course). Yup, Tessa does naughty things in films – in one clip we saw her employing dildoes that were about as long as Peter Crouch's legs. We don't know where she hides them – we only know that we really, really like watching her do it... ♣

Club's ROUGH GUIDE

A wonderful year of sport continues and the top-notch action shows no sign of letting up. Will our resident couch potato Matt Loxham leave the house in 2012? It's not looking likely.

The Ryder Cup

Medinah Country Club, Illinois

September 27th to 30th

Professional golf is usually quite a nice, polite affair. Men wearing smart polo-shirts and neatly-pressed slacks knocking balls around beautifully landscaped courses in front of well-behaved crowds whose worst misdemeanour will most likely be shouting 'get in the hole' at the wrong time. If someone cocks up a shot you might expect to see a frown or a slight grimace, or in particularly extreme circumstances a player might strike the turf with their club and mutter a mild swear such as 'damn' or 'bollocks'.

However, for one weekend every couple of years the game of golf becomes an altogether more partisan affair. Players are regularly seen to roar triumphantly, fist-pump with abandon and cry out with anguish and frustration. Fans cheer and chant at volume and even shout insults at the opposition to put them off.

Welcome to the Ryder Cup, a place where traditional golfing pleasantries are set aside and two teams featuring the twelve best golfers from Europe and the US respectively go club-to-club over three days of boisterous matchplay action.

After winning six of the last eight Ryder Cups, Europe go into this year's tournament as the team to beat. They also boast three of the top four players in the world in Rory McIlroy, Luke Donald and Lee Westwood. So it's going to be a cake-walk, right? Well not exactly.

For a start, the yanks have the comfort of home turf this time around (the teams take it in turns), and in a tournament where eleven of the sixteen runnings since 1979 have been won by the hosts this has to go down as a fairly significant advantage.

In Webb Simpson (ranked 5th in the world) and Bubba Watson (ranked 8th) Team USA also boast the winners of this year's US Open and US Masters respectively. And while we're on the subject of big players for the big occasion, one Tiger Woods will no doubt be looking to continue his post-whore renaissance with a popularity-boosting team-player performance.

Indeed, amidst all the passion and bluster it's often the most experienced golfers who perform best at the Ryder Cup. Lee Westwood, Sergio Garcia and Ian Poulter will be key for Europe and captain Jose Maria Olazabal. For the US, Steve Stricker and Jim Furyk will provide old heads for younger bodies such as the supremely talented Keegan Bradley.

Let battle commence...

2012 Twenty20 World Cup

Sri Lanka

September 18th to October 7th

The purists hate it, but T20 cricket looks like it's here to stay. Introduced to make a notoriously long-winded and sometimes rather dull game more appealing to those with limited concentration spans, the twenty over game has succeeded in attracting many new fans to the sport whilst pissing off a lot of old ones.

The traditions, tactics, tenacity and frequent bouts of tedium involved in five-day Test Match cricket are eschewed in favour of three and a half hours of technicolour kits, bombastic tunes, cheap thrills and flamboyant thwacks. Ticket sales suggest it all makes sense.

Indeed, at the time of writing over 100,000 had been sold for

the biennial World T20 shindig, where twelve teams will quite literally thrash it out in a bid to become the kings of 'cricket-lite'.

Reigning champions England, who defeated Australia in the final to lift the trophy two years ago, will fancy their chances despite recently suffering the double-blow of being toppled from the top spot of the Test and One Day International rankings by South Africa. England have also ditched their inspirational slogger Kevin Pietersen for errant texting.

Stuart Broad's men kick off their group campaign with what should be a nice loosener against the might of Afghanistan – although admittedly England have been known to make a meal of the minnows – before taking on potential winners India in a bid to reach the knockout stages.

Other teams fancied to take England's crown are the hosts Sri Lanka, headed up by their mercurial openers Mahela Jayawardene and Tillakaratne Dilshan, and the West Indies, dodgy in Test Matches these days but who boast in the likes of big-hitting duo Chris Gayle and Kieron Pollard players very well suited to the T20 game.

South Africa, a thorn in England's arse across all forms of cricket this year and currently battling it out with them at the top of the T20 rankings, must also be considered, although The Proteas do have a habit of underperforming. Whatever happens the Twenty20 World Cup is certain to feature packed stadiums full of bombast and excitement. It might not be cricket, but an increasing number of fans don't care.

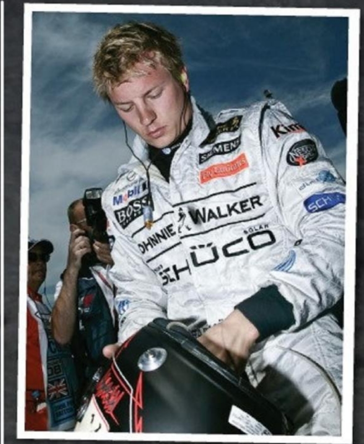
> "T20 might not be real cricket, but an increasing number of fans don't seem to care"

Formula One

Singapore, Japan & Korea

September 23rd, October 7th & 14th

In a summer where football and Olympic and Paralympic action has well and truly dominated centre stage, poor old Formula One has had to take a back seat for a while. But those missing the monotonous drone of engines and Martin Brundle on a Sunday afternoon need not fear, because just as the fair-weather events ship out and the nights begin to draw in, we're hit with a triple-whammy of Grand Prix to speed us into autumn.



With the drivers' championship delicately poised, this, the busy Asian section of the Formula One season, is likely to be pivotal in who will be in the shake-up for the title come Brazil at the end of November. From the fringes of the championship race, McLaren teammates Jenson Button and Lewis Hamilton will be desperate to put together a decent run of results and lift themselves into title contention. It's been a fairly turbulent season for the British duo, with Button struggling for form and Hamilton more interested in sending strange Tweets than winning races.

Luckily for them, all the drivers above in the standings have made mistakes and suffered from patches of inconsistency. Flying Finn Kimi Raikkonen has enjoyed some success on his return to Formula One from a stint in rally driving, and tough Aussie Mark Webber is in the mix as always.

Perhaps most surprisingly, Sebastian Vettel, a regular sight at the top of the podium over the last couple of years, has struggled to find the form that saw him win an incredible eleven races on the way to becoming champion in 2011, and it's Spain's Fernando Alonso they all have to catch. Expect loads of build-up, complicated technical problems, plenty of dull laps where nothing happens, and the odd exciting over-taking manoeuvre. If we're really lucky, Button might punch Hamilton for his random Twitter antics.

Okay, so it's not the Olympics, and it's definitely not the Paralympics, but hey, armchair sports fans have got to make do with what's there, right? ♣

Veronica Vanoza is a highlight, throwing in plenty of titwank action, while petite Angelina Crow somehow finds rooms for two fat cocks in a DP. Sons of Anarchy Season 4

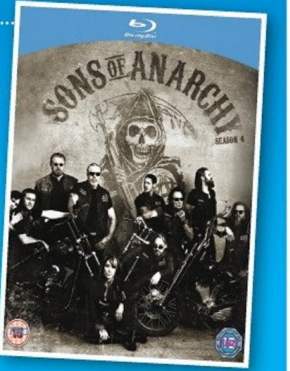
(20th Century Fox, DVD £24.99, Blu-ray £29.99)



After the sometimes jarring excursion to Ireland in Season 3, *Sons of Anarchy* was back to its bloody, compelling best in Season 4. Jax, Clay, Gemma and the rest propelled along a series of television as good as anything being show anywhere else, the travails of their motorcycle gang, SAMCRO, encompassing personal tragedy, American drug laws, pornography, murder, informants, racial divisions and a whole lot of ass-kicking. Clay (the brilliant Ron Perlman) finds that his sub-Machiavellian plotting pushes him further away from Jax (Charlie Hunnam) – but also his beloved Gemma (Katey Sagal), while Juice is backed into a corner by US attorney Lincoln Potter. *SOA*'s real skill is to weave a larger narrative while giving us the grace notes of minor characters getting their turn in the spotlight. The ensemble never lets us down, the ending is devastating and spot on.

All Quiet on the Western Front

(Universal Pictures, Blu-ray £11.67)

100th ANNIVERSARY
UNIVERSAL
ALL QUIET ON THE WESTERN FRONT
LIMITED EDITION

Maria Remarque's famous novel, a scathing condemnation of war, finds a sympathetic director in Lewis Milestone, in this classic made only three years after the coming of sound to the movies. The transition from silent to talkies is evident in some of the acting, with lead Lew Ayres likeable and committed but often a touch stagey. *All Quiet*... won the Best Picture Oscar in 1930, and Milestone's handling of the novel stands up well today, with scenes of wartime brutality contrasting with the more personal experiences of the young German soldiers thrust into the messy carnage of World War One. This digibook is not only a fine Blu-ray transfer, it comes with a fine 36 page book of contextualising information, posters and deleted scenes. ★★★★

THINK YOU'RE ALONE?

Not just another 'scary' movie, *The Pact* is an intelligent ghost story that actually delivers not only jumps and scares, but some decent plot mechanics as well. Annie (Caity Lotz, very good) goes to visit her estranged sister after the death of their mother. Finding the house empty, she stays the night with her cousin and niece. Inevitably, things go bump in the night, and the cousin disappears. The standard tropes are all here – things being moved, jolts of sound, mysterious pictures – but it's all handled with aplomb by director Nicholas McCarthy and the cast of genre stalwarts give it their all. It also reminds you that suggestion and subtlety lead to bigger horror thrills than relentless torture and grue. ★★★

Actor Ken might not be the most likable fellow in the world, and as he moves from one girl to the next, he leaves some pretty bitter ex girlfriends in his wake. So far, so *Fatal Attraction*, but this comes with a Thai horror twist, and is a little more intense and gruesome than just boiling a bunny (although, as rabbit owners, we're still put out by that). A tense revenge drama with some excellent twists. ★★★

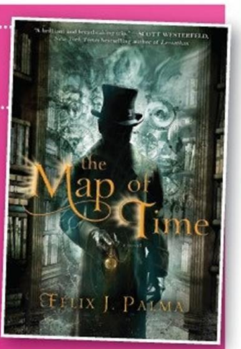
The Map of Time
Felix J. Palma (Harper £7.99)



The Map of Time
Felix J. Palma

His lover killed by Jack the Ripper, Andrew Harrington wants to change the course of time and bring her back. Claire Haggerty, a proto-feminist, wants to be in a time when she's free to direct her own life. Palma skilfully weaves these tales – and others – into a time-bending Victorian epic that combines elements of fiction (think Susanna Clarke) and comic books (a touch of Alan Moore). It's shallow, but addictive.

Masters of Death

MASTERS of DEATH
THE SS EINSATZGRUPPEN AND THE INVENTION OF THE HOLOCAUST
RICHARD RHODES

Before the infamous gas chambers and the industralised killing machine of the Third Reich, came the Einsatzgruppen. Richard Rhodes tells the story of these murderous groups slaying 1.5 million innocents in clear, dispassionate prose, but it's still hard not to be sickened by the killing pits of Poland and Russia, and the 'ordinary' men who carried out these crimes. A fine addition to the literature of a genocide.

The joy of *2000AD*, for readers old and new, isn't wholly confined to Judge Dredd, and Rebellion's reissues allow us to delve into the cracking adventures of Strontium Dog as well. Carlos Ezquerra's artwork is peerless, and the lead characters of bounty hunters Johnny Alpha and Wulf Sternhammer a brilliant introduction to the future apocalyptic world of mutants and 'norms'.

Fans of *The Amazing Adventures of Kavalier and Clay* will find Michael Chabon still on fine form in this, his first novel in five years. It tells of a pair of friends and their little record store, of the megastore that threatens not just them, but a way of life. Hosepipe bonk...

Thank god for that ridiculously rainy summer. After all, we had a hosepipe ban earlier in the year, and if that had kept up then Sandra Shine and Eve Angel would have been romping in an empty swimming pool here, with the dead leaves and veruca socks. Not only that, they'd be using a watering can on each other's pussy and bum, instead of the much more effective and stimulating hose. Still, rain or drought, these two are always wet, all the better for a tongue or finger to be slipped into a waiting, wanton hole... ♣

Olympus OM-D E-45

www.olympus.co.uk

We're happy to see classic camera brands like Olympus focusing (no pun intended) on their core specialities, rather than trying to pander to the people who think mobile phones take good photographs. This cracker is hardly the camera to take to Bestival to capture those 'moments', but for the serious snapper it packs a wallop. The 16mp sensor works a treat, and the tiltable OLED screen is crisp and user-friendly. Add in Olympus' boasts that this is the world's fastest autofocus camera, and you've got a lot of kit for (quite) a lot of money.

Pros: In short, it's a brilliant camera.
Cons: In short, it's not cheap.

Nikon D3200

www.europe-nikon.com

As any savvy snapper will tell you, megapixels aren't everything. After all, this packs in twice as many as the Olympus on this page, but is half the price. What gives? Well, while images are crisp and well-detailed, it lacks the features you'll find in top end cameras. And the autofocus speed compares so badly to the Olympus that it's like waiting for a Victorian-era exposure. The sensor is good, the viewfinder is okay, and if you want to add on lenses, you can test the depths of your pockets.

Pros: Photo quality is as high as you'd expect.
Cons: Sluggish autofocus. Feels low-to-mid range.

www.apple.com

Even the most hardened Apple sceptic (those of us annoyed at the built in obsolescence of a lot of their products, and the fact that all roads lead to the iTunes store) will find his heart melting after a go on the latest Macbook Pro. Put simply, it works. It's slick, it doesn't have the constant virus fretting you get from PC's, and the new Retina display, familiar from the latest iPads, is simply gorgeous. That screen, the functionality – all good. It's still overpriced, and not for gamers. Instead, it's essential for designers, musicians and poseurs.

Pros: The screen is breathtaking. Works straight out the box.
Cons: Overpriced for the processing power. ♣

HOLLY

Purple penis eater...

Holly is an incredibly rude girl. Within minutes of starting this photo shoot, with Team *Club* in attendance (just to make sure things go, er, smoothly, obviously), she started talking about her oral sex technique.

"Oh god, I'd love a cock now," she moaned, "I'd lick it from the balls to the tip and down again, getting it harder and harder. And when it was about to burst, I'd deepthroat it to the root."

We crossed our legs...

"And I'd let it fire its creamy load straight down my throat. And if I spilled any, I'd lick it all up. I don't like to waste a drop."

Professionalism forbade us from offering our cocks to the lovely Holly, and she had to go without for the time being. At least that's what we're telling people, anyway. ♣

TEAL ♣

Suck and truck...

It's not Teal's fault that she's got a name like a spurious paint colour. But it could have been worse – she could have been called Eggshell Blue. No, her agent gave her the name on her first day as a model and, now she's made a bit of a name for herself, she's stuck with it. Personally, we love it. It's a gift to us headline writers. 'Cop a feel of Teal', 'Teal Time', that kind of thing. And, also, we're far too taken with her amazing body and liquid eyes to worry about her moniker. Nope, she could turn up as 'Burnished Bronze' and we'd still stick her on the cover and in the centrefold. Especially if she gives us a lift home in that truck... ♣

GARDEN PARTY!

I'd been nagging my husband John to get our garden sorted out for at least a year, but he just kept putting me off with excuse after excuse. Then, on a night out, I introduced him to my friend Geri, who'd just completed a garden design course and was looking for business, and he jumped at her offer to help us. I couldn't help but think that the fact that she was pretty hot had something to do with it, but I wasn't about to complain.

The day that Geri came to look at our garden was very warm – a rare real English Summer day. So I guess that it was fair enough that she was wearing just a vest top, a pair of ultra low-slung jeans, and sandals. But there was no denying that it made her look sexy as hell – every time she reached up to point something out to us, the vest rode up revealing her lovely little girlie tummy over the top of her jeans, which sat so low on her there was even a glimpse of white panty-top, and the hint of a cute tattoo of a humming bird on one side just at the line where her tummy met her groin. And when she bent forwards, you could just see the top of the crack of her bum, which was a lovely sight.

I knew the effect that this would have on John – he has a real thing about girls in vests, and because it was so warm I was wearing one myself, so he was already pretty horny. And whilst I had a bra on under my vest – no choice with boobs like mine – it looked to me like Geri hadn't bothered with one herself. I certainly couldn't spot any bra straps as she wandered around our garden, and when she turned to talk to us I could clearly make out the outline of her breasts under her top, and you really couldn't miss her nipples poking out through the material.

My suspicions were confirmed when she leant forwards to smell our jasmine, which the warmth of the sun had made especially fragrant that day, and John and I were treated to a clear view of two perfect little mounds down the front of her vest. John had shorts on himself, with no pants, and a quick glance down told me that he was now sporting a big erection under them. And I have to say that he wasn't the only one who was getting a bit worked-up – the warmth of the day and the sight of this sexy girl wandering around our garden not wearing too much was making me feel pretty horny too.

I told Geri that we were very keen to have a good view of the garden from our bedroom window, so John led her inside and up the stairs to see. I followed behind, and couldn't resist hanging back at the bottom of the stairs as she walked up, to get a view of her bum. I was enjoying the sight of what can only be described as a very peachy rear, when she turned around and caught me looking. I blushed bright red, but Geri just smiled at me, and then followed John in to the bedroom. I caught them up, thinking that if I got the chance I was determined to get a better look at that arse.

John and Geri were standing at the window

> “I laid her back and pushed her thighs open to reveal a very cute little pussy”

looking out over the garden, when John said, “We do need some privacy, because Jo likes to sunbathe topless out there.” I looked daggers at him, but Geri just smiled again and replied, “Of course. With boobs like Jo’s you’ll have everybody in the street looking if you’re not careful, and a pair like that should be reserved for special friends.” Geri had turned to me as she said this, and was looking directly at my chest. Two can play at that game I thought, and said, “You’ve already given the neighbours a bit of a show today. Couldn’t you find a bra this morning?” Geri laughed out loud at this, and replied “Oh I don’t bother with a bra on a hot day like this. It looks alright, doesn’t it John? Don’t you think that Jo should do the same?”

John was just about able to agree with her, although he was clearly having some trouble speaking! Not about to be outdone by this girl in front of my husband and in my own bedroom, I said, “Perhaps you’re right.” And with that I pulled my vest over my head, then reached behind and unhooked my bra, letting it slip off my shoulders so that my double-D’s swung free. “That does feel better,” I said, “Why don’t you try it?” Now it was Geri’s turn to look a little shocked, but she soon recovered and peeled her own vest off, revealing a lovely pert pair of tits, not nearly as big as mine, but not too small either. Her nipples were standing proud, and it was no wonder they had been poking through her top, because they were quite hard and long. My own nipples are the same, and John loves them, so I knew that he would be getting very turned on by this. And I couldn’t deny that it made me feel pretty horny too, having this dead sexy girl standing topless in front of me.

And she hadn’t finished. “It’s a bit hot for jeans too,” she said, unbuttoning hers and pushing them to the floor at her feet, revealing a very tiny pair of thong panties underneath. If the sight of her boobs had got me a bit turned on, the view of her curvy womanly form standing just in her panties in front of me really got my juices flowing. I decided that this marked the point of no return for us, so murmuring “Nice,” appreciatively I stepped forward and put one hand between her legs to stroke her pussy through the material of her panties, whilst with the other I drew her face to mine and gave her a long and slow kiss. I made sure that she felt my tongue push a little into her mouth, in time with my fingers tracing firm circles around the little fleshy mound between her legs.

Geri responded to both my tongue and my fingers, opening her mouth the let me explore further, and pushing her crotch forwards to

press more closely against my fingers. Even through the material of her panties I was surprised that I could feel the warmth and the wetness of her there against my hand, and I know that between my own legs things would by now be much the same.

John meanwhile had moved behind Geri and reached round to cup each of her breasts in one of his hands, gently massaging the boob flesh with his fingers, and – I was certain – pressing his erection against her bum whilst he did so. Letting my lips separate from hers for a moment, I took Geri by the hand and led her over to the bed. I gently sat her down at the end of the bed, then got her to lift her hips whilst I knelt in front of her and peeled her panties off, getting a good view of her little humming bird tatt just above and to one side of her puss. I laid her back and pushed her thighs apart to reveal a very, very cute little pussy. It was smooth as smooth could be – not a single hair in sight anywhere. And it was – well, the only word for it is plump. I guess that it had got a bit more swollen than normal because I'd been caressing it, and I could see more evidence for that by the way that it glistened with wetness as I gently separated the outer lips with my finger tips, to view the pink moistness within.

> **"Geri's pussy opened obligingly to take the full length of his shaft in one stroke"**

I knew what I wanted, but I was worried about John. Glancing up, I saw that I needn't be, as he'd already shed his clothes and was now kneeling on the bed at Geri's head, and she was cupping his heavy balls in one hand whilst holding the base of his thick cock in the other and directing the tip of it between her lips and into her mouth, where she was licking and sucking it for all she was worth. Satisfied that John was – well, being satisfied – I turned my attention back to the glorious sight of Geri's open pussy before me.

Separating her lips a little further with my finger tips to expose still more of her pink insides, I dipped my head forwards and started to explore with my tongue. I alternated between long slow licks along the length of her gash, then darting movements as far as I could force my tongue in to her cunt, then little sucks on her clitoris, before going back to the long slow licks again. All the while I could taste her pussy flavour in my mouth - sweet, tangy, and musky all at the same time. She seemed to like what I was doing, because even with John's cock in her mouth I could hear her making little whimpering sounds whenever I got near to her clit, and each time I sucked it gently there was a fresh surge of wetness for me to lap up from her cunt below.

I was tempted just to kneel there between her legs licking her pussy until she had finished sucking John off, but the sight of his cock engorged and twitching in her mouth had given me a different idea. I clambered up the bed and gently pushed John back so that his cock slipped from Geri's lips, allowing me to give her a very pussy-flavoured kiss, which I made sure lasted long enough for her to get a real good taste of her own cunt from my lips and tongue. Then I led John back to the foot of the bed, and got him to kneel on a cushion between Geri's legs so that his cock was level with her pussy. Holding her lips open with one hand, with the other I

steered the tip of John's cock to her entrance. Both cock and pussy were wet from the sucking and licking each had taken, so not surprisingly with very little effort John started to slide into Geri's pussy, which opened obligingly to take the full length of his shaft in one slow and gentle stroke.

I quickly removed the rest of my clothes, then knelt back down and started to trace firm little circles around Geri's clitoris with the pads of my fingers, whilst John began to fuck her slowly but firmly, pulling his cock nearly all the way out of her cunt with each stroke, then sliding it right the way back in up to the hilt. I was expecting that this would have John spunking pretty quickly, but what I didn't anticipate was the combined effect of my clit-rubbing and John's pussy-pounding on Geri, who after only a couple more thrusts from John suddenly gasped loudly and bucked her hips upwards as her orgasm hit. I took my hand away from her clit – if she was anything like me it would be so sensitive at this point as to be almost unbearable to touch – and I held John still to let Geri ride the waves of her climax. As her groans subsided and her hips rested back down on the bed, I gently eased John's cock out of her and gave it a quick suck myself; just to enjoy tasting Geri's orgasm juices from it, then let him push it back inside her.

“One, two, three, four huge jets of sperm flew out and splashed onto our cheeks”

“Go on,” I urged him, “Fuck her hard now.” John duly obliged, his cock starting to piston in and out of Geri’s now sopping cunt. I reached behind him and started to tease his arsehole with my fingers, which I knew would have the desired effect of making him lose his load quickly. And sure enough after only a moment or two of this he gave one last mighty thrust to embed his cock as deep as it could go into Geri’s snatch, and cried out as he pumped wad after wad of cum into her. John’s always produced a lot of spunk – when I suck him off it’s always at least three gulps and sometimes four – so I knew that Geri would be getting a good filling from him.

This is exactly what I wanted, because as soon as I sensed that he had finished, I pushed him back so that his still hard cock slipped out of her. Her pussy remained flared open where John’s dick had been, and I could see the first trickle of his cum started to leak out. I watched entranced for a few moments as that trickle grew larger, and as soon as I could see a good glob of John’s spunk at the entrance to Geri’s cunt, I leant forward and lapped it up, pushing my tongue deep into her open folds to catch as much of it in my mouth as I possibly could. Oh, what a taste it was – the familiar one of my husband’s cum, but mixed with the new flavours of this sexy girl’s pussy. I couldn’t get enough, and as more and more of John’s spunk leaked out, I pushed my tongue further and further into Geri’s cunt to get to it. When I could find no more with my tongue, I used two fingers to probe inside her and scoop more cum out. I greedily licked my fingers clean, until even using them I could find no more. So finally I turned to John kneeling beside me, and took his now flaccid cock into my mouth and sucked the last spunk and pussy juice that I could from it.

Finally satisfied, I crawled back up the bed to Geri and gave her a long and slow spunky kiss, letting her lick the last remnants of pussy juice and cum from my fingers. “Your turn,” she smiled at me, but instead of rolling me on to my back as I’d expected, she turned me on to my tummy, and started to place little butterfly kisses on the back of my neck and then down my spine. When she reached my arse I felt her place a hand on each butt check, then gently pull them apart to reveal my most intimate place between. “Lovely,” I heard her murmur, before I felt first the warmth of her breath and then the wetness of her tongue at my anus.

Geri slowly let it trace a little circle around my rim, and then flicked it back and forth over my hole. I’ve always been super-sensitive anally when I’m turned on, but as Geri continued to tease me with her tongue I realised that she might be about to achieve something that not even John had ever managed – she was going to get me off just by licking my arse. I was tempted to reach my hand down between my legs to give my clit a little rub, just to push me over the edge, but I wanted to see if Geri could take me all the way with her tongue at my anus alone. So I kept my hands up by my head as Geri continued to circle and lick at my hole, and sure enough after just a few more minutes I felt the unmistakable fluttering in my belly that told me that my orgasm was fast-approaching. Still, I

kept my hands from between my legs, and I was rewarded when a wave of pleasure suddenly erupted from the point of Geri's tongue on my arsehole and washed over my entire body, leaving my toes literally tingling with the intensity of it.

When I finally recovered sufficiently to role on to my side, I could see that what he had just witnessed had not surprisingly got John ramrod hard again, but that Geri had not neglected him and had his cock back between her lips again. I decided on one last treat for him, so snuggling up to Geri on the bed I put one arm around her whilst with the other I gently eased John's cock out of her mouth and took it into my own. I gave it a quick suck and let my tongue play over the sensitive tip for a few minutes, then handed it back to Geri and let her do the same. As she sucked on John's tip, I licked at his shaft, and as my lips reached Geri's we snogged passionately, me holding John's cock just below our chins as we did.

"Is it OK if we let him cum on our faces?" I asked her, "He loves that." Geri just smiled sweetly at me, kissed me deeply again, then looked up at John and said, "Of course he can spunk on our faces. Come on, John – give us all you've got." John grabbed his cock and started to pump away at it, pointing the tip straight at Geri and my faces from about three inches away as we cuddled close together on the bed and gazed up at him. "Come on, John," I urged him, "Let us have a coating of that lovely jizz. Spunk all over our faces." Geri pulled me closer and kissed me again, before turning her face back up to John just as he let out a gasp and his cock erupted before our eyes. He kept pumping with his fist and pointing his tip first at Geri then at me as one, two, three, four huge jets of sperm flew out and splashed on to our cheeks and chins. I went to take him in my mouth, but he hadn't finished, and with a final tug he produced two more spurts, one each, leaving both our faces covered in his mess.

As John staggered back, his rapidly softening cock still gripped in his hand, I looked over at Geri and saw the thick rivulets of spunk running down both her cheeks. I could feel that my own face must be looking just the same, although I felt like my chin and forehead had taken a good covering too. In any case, there was only one thing to do, and pulling Geri to me I began to carefully lick her face clean of John's cum, pausing only to give her a long and loving kiss and let my hand sneak down towards her pussy again…

Rising Stars of Porn

Move over Grandma, there's some new sex stars in town. *Club International* weighs up the rising porn star babes to see if they've got what it takes to displace the old guard. Part 2 next month…

10

April O'Neil

As organically hardcore as they come, don't let the pint-sized frame of April O'Neil fool you. This seems to be the general sentiment surrounding April, an Arizona native and Latina hottie who impresses the industry with her Mexican mojo. Taking the porno world by storm with her puppy brown eyes, slender frame and the most delicious set of ripened cantaloupes one can imagine, April is breaking records and gathering fans at a feverish pace. This rising star is one of the most popular performers on the circuit, coming to life in such projects as *Men In Uniform Love Big Tits* (Third Degree Films) and *Teasers: Extreme Public Adventures Vol. 1* (LFP Video). With a very bright porn future ahead of her, this sweet bird of youth is happy to spread her wings and fly upwards toward future successes. Comfortable about letting her freak flag fly, April is eager to grant the adult community access into her world of private kinks, which includes her fantasy of having anti-gravity sex. Thankfully, we've all been invited to watch this Latina lovely soar.

Alexis **Ford**

A bona fide spitfire from the streets of New York, Adam & Eve Pictures' contract starlet Alexis Ford masters the art of naughty and nice with a natural finesse and inner confidence that is usually reserved for more experienced porn performers. With a naturally curvy body, a face fit for an angel, and an articulate intelligence that is refreshingly rare, Alexis has what it takes to be a superstar. After only having performed in a handful of lesbian scenes, Alexis quickly earned an exclusive contract with one of the largest production companies in the adult industry. Breaking out in her pioneer project for Adam & Eve Pictures, Alexis Ford showed the world exactly what she was made of in *Alexis Ford: American Made*. A force to be reckoned with, Alexis caused jaws to drop and panties to drip when she performed in her first boy/girl scene alongside Male Performer of the Year recipient, Tommy Gunn. Now, she's opening up like never before, giving the adult industry a candid invitation into her private world of sex, orgies and tag-team takedowns!

Briana Blair

A Southern belle, capped with a pair of succulent peaches and infectious girl-next-door charm, Briana Blair is as gorgeous as they come. With flowing blonde hair and curves in all the right places, Briana positively radiates with sexual fervour in every movie she has been featured in including, *Innocent Until Proven Filthy 8* (Erik Everhard Entertainment) and *Jesse Jane: Dirty Movie* (Digital Playground).

A former cheerleader for NBA's Atlanta Hawks and NHL's Atlanta Thrashers, Briana is certainly used to performing in front of large crowds. Moving to Los Angeles to begin her career in the adult industry, once her contracts had expired with those teams, Briana hasn't looked back since. Climbing to the top of the charts at a steady pace, it's a pleasure watching her raw sexuality blossom. With a smile that could light up a room and a body built porn tough, she's virtually impossible to overlook.

Breanne **Benson**

An exotic beauty of Albanian descent, Breanne is as mystically beautiful as she is passionate. With a chameleon-like quality, she is able to change her appearance on a whim. At times, she appears as a stealthy panther with black hair and a wild penchant for penis that is seemingly insatiable. Other times, she's as pristine as an angel, donning a head full of golden curls and a smile that could light up a room. Earning the adoration of both men and women in such productions as *It Starts With a Kiss* (Wicked Pictures) and *Girlfriends 3* (Third Degree Films), Breanne Benson is blazing a trail to the top. With new starring roles that properly showcase her legendary potential, Breanne Benson shows no signs of slowing down or fading into the depths of porn star obscurity. Always on the prowl, Breanne continues her hunt for fresh meat, giving the adult industry a taste of her juicy fangs. What we're left with is a delicious debutant that we can't wait to get seconds of! Hungry?

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

No, don't worry, we're not going to show you those tired screengrabs of Heather as Rollergirl in *Boogie Nights* again. As much as they're worth re-seeing, Heather gets her kit off so much in films that it'd be perverse to ignore the rest of her career, even if *Adrift in Manhattan* and the frankly laughable *Killing Me Softly* aren't exactly Oscar bait. Worry not, though, because the lamentable plots of those films are more than outweighed by the sight of the seemingly ageless Heather flashing her incredible bod and boobs. Same goes for 2009's *Boogie Woogie* (no relation), which sees Heather, Jaime Winstone and Meredith Ostrom flash their funbags, before there's a brief glimpse of Gemma Atkinson's coveted top twats. Yes, it's a cinematic masterpiece. ♣

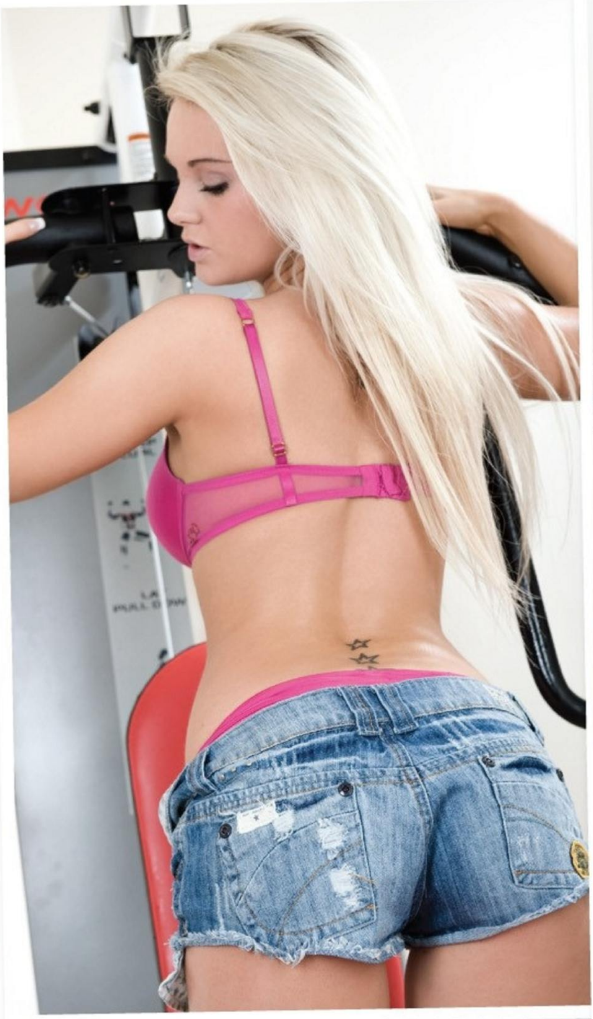
The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



REAM SERVICE!

During the 4 years I've been with my girlfriend, every time we feel our sex-life has gone a bit stale we've always made the effort to try something new. Porn, in the form of magazines (this one, of course!) and videos was the first step. That worked, as did engaging in sexual activities in risky places, and as spontaneously as possible! One time particularly springs to mind when we pulled up in front of our friend's house, and before going up to the door Kathy went down on me until I came in her mouth.

Recently, however, it has been a bit of classic role-playing, involving the usual nurse's uniforms and schoolgirl scenarios. Nonetheless, my wife has become so into this, that she plans these situations without me even knowing, and springs them on me when I'm least expecting it. The other night, after I had been for some after-work drinks, I returned home about nine o'clock, feeling a little half-cut, to find all the lights off in the house. I could also hear a faint moaning coming from the bedroom. Putting the hall light on, I could see that Kathy had been tidying and cleaning. The sounds continued and as I pushed open the door to the bedroom, I could just make out Kathy's faint silhouette on the bed. I turned the light on abruptly, to find her on her back, in a hotel maid's outfit, with her skirt hitched up and her hand down her knickers.

"Oh, sorry, sorry. I'm just finishing your room, sir," she immediately responded, as if she had been discovered for real. She looked very convincing with her hair tied back, and fucking horny dressed like that! Playing along, I pretended to look shocked and questioned her, whilst she continued to stroke her pussy, which she had now exposed to me. Kathy then parted her cunt, and sucking her index finger wet, slid it between her silky lips. It was too much to bear, and my prick was in my hand in seconds as I tossed myself off furiously.

Getting on all fours, Kathy spread her legs on the bed and with her index and forefinger splayed her twat open, showing me how moist she had become. However, as I moved to fuck her soaked entrance, my cock dripping pre-cum, she thrust three of her own fingers inside her. "This hole's taken, sir, I'm afraid you'll have to find another one," she purred in a voice unlike her real one.

> "I then ran my hand over the crack of her arse, poking one digit inside"

My shaft pulsed with excitement and, spitting on my fingers, I then ran my hand over the crack of her arse, poking one digit inside, to a squeal of anticipation. Her muscles tightly gripped my bell-end, and I could feel my foreskin roll back as I drove my dick as far in as it would go. "Oh, yes sir… I'm full now," she kept half-grunting as I held fistfuls of her backside and worked away rhythmically into her bumhole. I then held onto her maid's tabard, as I fucked harder, with my balls banging against her knuckles. Alerting her to the fact that I was going to cum, she frigged her clit so fast and so recklessly that I struggled to keep my dick inside her. I felt my spunk pulse through my shaft and pulled out, spraying it up her back. Shuddering to her own orgasm, she just kept repeating "Thank you sir!" as I covered her in thick jizz.

As I lay there, she remained in character and licked my cock clean, wiped herself down and carried on tidying the room! If only real hotel service was as good!

Tom, Strelley

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing

> “It was so big and hard but hopefully the perfect size for me to have some anal fun with”

a new underwear set – tarty red and black, which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full-well that the dinner wouldn't really spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that particular erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my throat. I kept it there inside me and wrapped my tongue around the back of his shaft.

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

“I want you to play with my bum.” It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy. Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open up as I exposed them to him.

“Your bum looks amazing,” James said. I felt his breath as he moved in for a closer inspection. “You've got such a pretty little arsehole.” I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue moving over and probing into my arsehole. But this time, I was eager to move on. I wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my arse. His fingers worked their way inside me, penetrating my bum. I'd got used

> “I felt my boyfriend’s cock slide out of my arse before easing back in”

to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I’d always said that I’d never let him stick his cock up my bum. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

“I want you to stick your cock in my arse.” I said it quietly, into the pillows. I wasn’t sure whether he’d even heard me.

“Are you sure?” he whispered back. He wasn’t surprised – but that didn’t take away from the value of my present to him.

“Yes – I want to feel your cock in there,” I said, wiggling my posterior. The fingers slipped away and I felt the mattress shift as he moved around into position - into a position where he could guide his cock inside my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he’d stopped trying.

“Oh my god,” James said. “My dick is in your arse.” I didn’t know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James’ cock was sticking out of my arse – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

“Push it all in,” I told him.

“Are you sure?”

“Do it, now!” I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I’d taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

“Fuck me, nice and slow,” I gasped. My breath quickened as I felt my boyfriend’s cock slide out of my arse before easing back in.

“That looks amazing!” he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered-out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn’t resist as James pounded my butt. I’d expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of ‘anal slut took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my muscles around James’ cock, gripping him, holding him in place, and with every inch of his cock buried inside my pucker, he came. He cried out and I imagined his cock firing load after load of spunk into my arse and my fading orgasm re-intensified.

“That was amazing,” James said, as we both fell back onto the bed.

“Happy Birthday,” I replied, kissing him on the lips.

“I can’t wait until my next birthday,” he said, smiling hopefully.

“Oh, I don’t know that I’ll make you wait that long – it’s my birthday soon.”

GRACY ♣

Chain of drools...

This dark and moody set marks Gracy's debut in *Club*. Where's she been hiding herself?

"I was a little reluctant to do it," the 21-year-old admits. "I had a pretty strict upbringing and was told that porn was evil and horrible. Then a girlfriend showed me her pictures in *Club* – she was a Reader's Girlfriend – and some of the letters she got, and I wanted to do it."

You can thank her for us.

"Well, I loved my first shoot, so maybe I'll do one with her. I've learned that porn can be quite nice now, and I'm loving the lesbian stuff. After being staid for so long, I'm now exploring the world of chains, cuffs and strap-ons!"

We hope you share it with us... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

RAM REMS!

Ram-Raids are a popular way for the criminal fraternity to bust through the doors and windows of places they want to shake down, but a group behind the recent robbery of an Apple Store in Temecula, California, made a few basic errors. They ploughed a BMW X5 SUV through the doors, three men hopping out to nab a load of iPhone 4's (ignoring the much more expensive Macbooks, for some reason). Police reviewing the footage could clearly read the license plate, but didn't even need to, as the plate came off during the escape, the BMW catching a flat in the glass as well and being abandoned nearby. Police then found a suspect walking by a nearby mall, the keys to the BMW – of which he was the registered owner – in his pocket. How not to Ram-Raid, in other words.

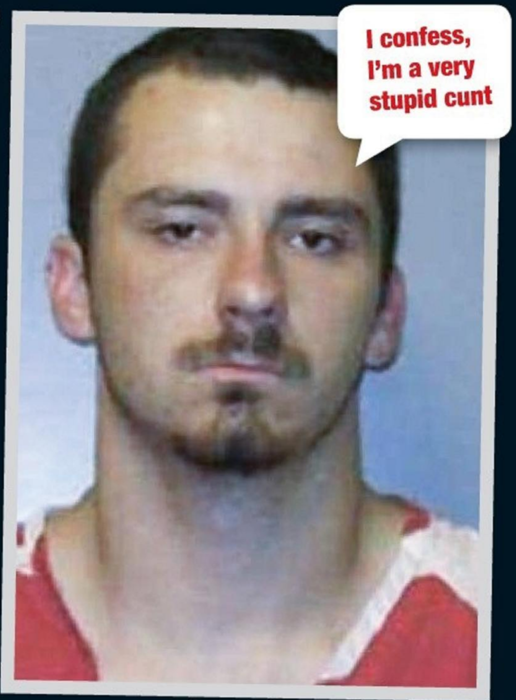
LOL FAIL

THE SELF-ARRESTING CRIMINAL!

A strong contender for most stupid criminal ever is Alabama man Jerry Lee Washington Jr. Washington was probably in the process of robbing the house of Joey Buchanan, when the family returned to find his car parked in their drive. Washington, hiding in a bush, ran to his car, Buchanan's grandfather opening fire at the motor but missing. Buchanan was injured by Washington's car, but the thief decided, for reasons we can only speculate on, to later drive to the police station to file a complaint about damage to his car. He was arrested immediately. "Some people aren't as bright as they think they are," Buchanan commented, accurately.



I confess, I'm a very stupid cunt

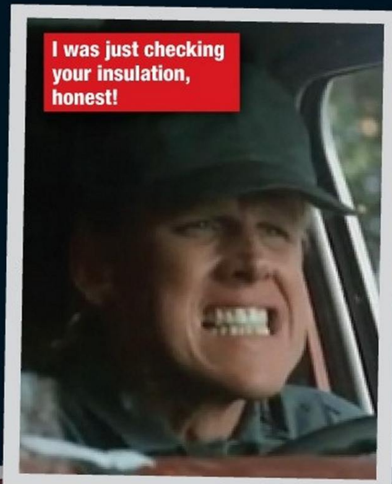
ADVENTURES IN BABYSITTING!

And now we turn to mother of the year, with Laurie Lee Kelly of Mesa, Arizona, throwing her hat in the ring. Kelly, 43, took her daughter with her to a local park and bought two homeless people beer in return for looking after her six-year-old daughter. Kelly, a teacher's assistant, then disappeared and was later found in the park with a man – she's alleged to have had sex with two men while her daughter was in hobo paradise for four hours. Kelly described herself as being in a 'manic sexual rage' and she 'needed to have sex'. Luckily for her, the transients turned out to be decent babysitters. We reckon she won't be going back to that day job.

Best Mum in the World Mug-shot!

ATTIC ANTICS!

When Rock Hill, South Carolina woman Tracy heard noises in her attic (or loft, as we'd have it) then saw nails popping out of the ceiling, she thought there was a poltergeist in the house (we didn't say she was intelligent). It turns out it was her ex boyfriend, who she'd split up with 12 years earlier, and who had been in prison. Released two weeks earlier, he'd made a home for himself in her attic, sleeping in the heating unit, and doing his number ones and twos in a number of plastic cups. He'd also rigged the ceiling vents in order to watch Tracy in her bedroom. He fled the scene and is still at large. Check your attic. ♣



I was just checking your insulation, honest!
